## Caino Design

Caino Design is a brand of STV Italia Srl.

Prices are expressed in EUR, ex-works; they do not include local taxes, customs fees and duties, shipping costs.

Dimensions are expressed in centimeters.

STV Italia Srl reserves the right to change, at any time without warning, the technical specifications of any model and the corresponding prices can be subject to variations without notice, depending on technical and commercial requirements.

### **Disclaimer:**

- Some surface finishes are handmade by galvanic treatment and digital decoration. The perfect replica of samples' finishes cannot be guaranteed. There may be natural blemishes/variations that are not product flaws. Such variations are inherent in the manufacturing of handmade products.
- STV Italia Srl recommends using exclusively certified electrical components and three-pole cables and have them fitted by qualified personnel. As manufacturer of engraved metal disks, STV Italia Srl does not take any responsibility concerning the lamp's assembly and installation on site.
- Product not recommended for children.
